SEÇÃO A-A

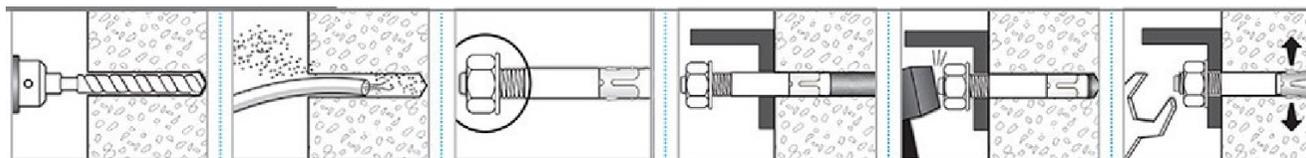

DETALHE B  
ESCALA 1 : 2

DETALHE C  
ESCALA 1 : 2

**Aplicação do Chumbador:**

Faça o furo com diâmetro e profundidade indicados pelo fabricante.

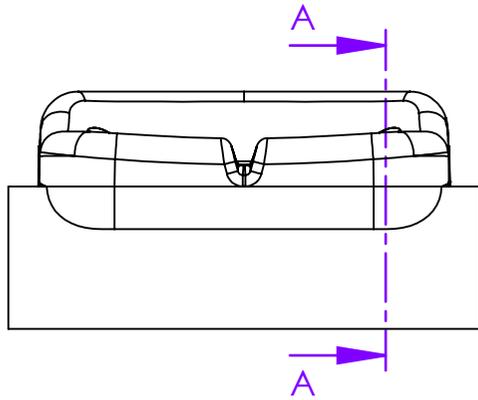

Limpe o furo.

Coloque a porca e a arruela na extremidade do chumbador.

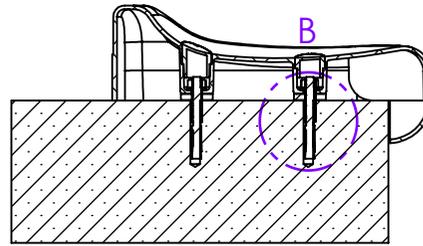

Posicione a peça a fixa e introduza o chumbador

Com auxílio de marreta introduza o chumbador no furo

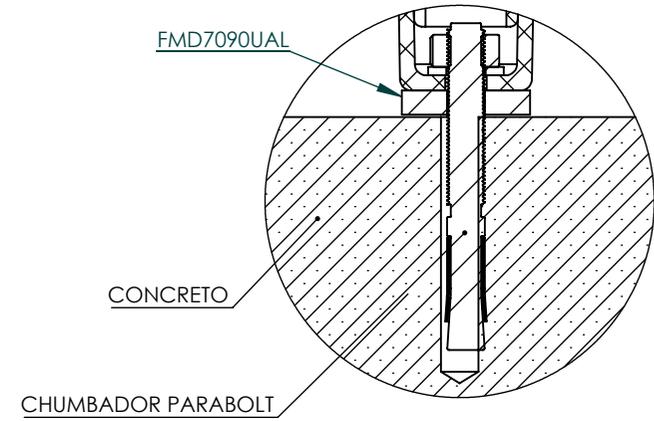

Aperte a porca provocando a expansão concluindo a fixação
